

How to make a

# mini pop-up

Four Square Store

## What you will need:

2 x A4 sheet of thick paper for printing (210gsm is ideal as it will still go through the printer)

Scissors

Glue

## How to:

**STEP 1:** Print out the following two pages.

**STEP 2:** Cut out the store template, Four Square sign and the people.

**STEP 3:** Carefully cut out the windows and doors.

*Note: you might need an adults help with this.*

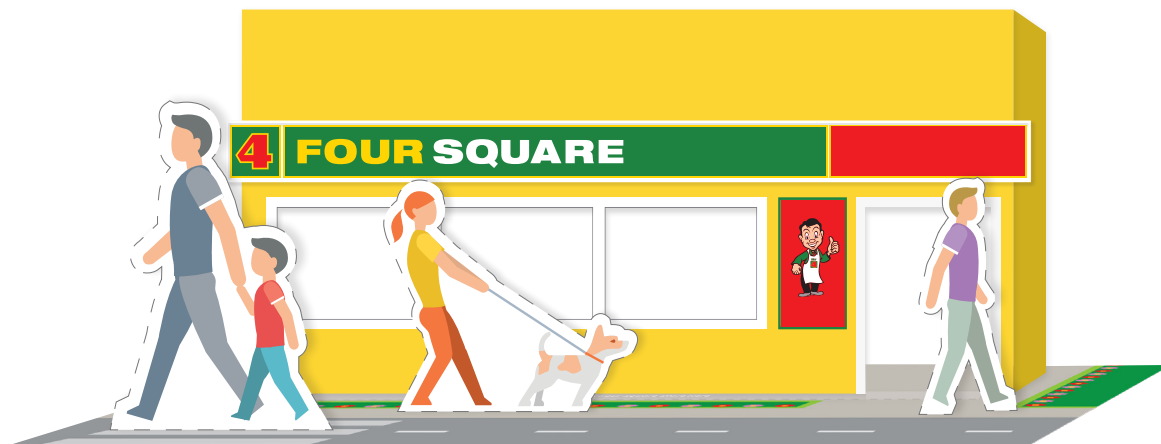

**STEP 4:** Glue the Four Square sign on the front of the store in the marked position.

*Note: it hangs slightly over the edges on both sides*

**STEP 4:** Make the folds marked in red and the folds for the tabs.

**STEP 5:** Glue your tabs onto the base provided.

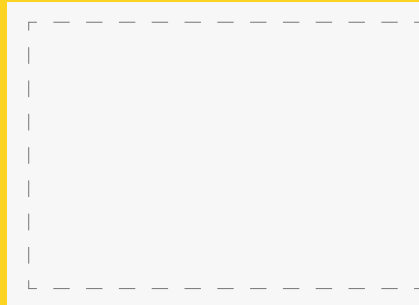

**TIP:** To make your mini pop up store extra strong, glue all the cut outs onto a thicker piece of card first.
